GRENACHE / SYRAH

RANGE™ Our 2019 Range has aromas of whipped cream and berries at first, changing to freshly cut peonies. The textures of the wine coat your palate immediately, the flavors follow with a compote of raspberry, cherry and blueberry, the sweetness of toffee and finishing with a hint baking spice. Finish is perhaps not the right word, as the flavors resound long after the last sip.

Jeb Dunnuck said it best after tasting the innagural vintage of this wine, calling it "a Chateaufeuf du Pape look-alike with its ripe, full-bodied aromas...solid concentration, rock-star texture..." The wines of the Southern Rhone valley are a direct influence on the style and intention of this wine.
